

# ACADEMIC CONNECTIONS 2009

## PAYMENT PLAN OPTIONS

Academic Connections at the University of California, San Diego is a pre-college summer academic and residential experience targeted to high achieving, motivated, college bound high school students. The program invites students to explore the best UCSD has to offer. Academic Connections is a self-supported program that does not receive any State or Federal funding. As a result, we are unable to offer financial aid, scholarships, or grants to our program participants. Because of this, Academic Connections has developed the following two payment plan options:
